

## TO ADVERTISE JAMESTOWN

A Former Virginian Will Spend Twenty-Five Thousand for Patriotism in the West.

A CAMPAIGN OF PUBLICITY

Will Bill Over Four Thousand Railroad Stations in the West.

(Special to The Times-Dispatch.)

NORFOLK, VA., November 18.—Through the courtesy and liberality of James A. Humphrey, general manager and secretary of the Humphrey Advertising Company of Chicago, and secretary of the Illinois-Jamestown Commission, a campaign of publicity setting forth the splendor and unique features of the Jamestown Exposition has been inaugurated which will be wide reaching in its effect.

The plan comprises the display of colored lanterns and the distribution of exposition literature in 4,772 railway stations in Illinois, Tennessee, Missouri, Kansas, Louisiana and Oklahoma.

In this way the attention of more than 50,000 persons who travel daily over 2,000 miles of railroad will be attracted to the exposition and bring to their notice its greatness and novel character and the important historical event it celebrates—the founding of the first English-speaking settlement in America, at Jamestown, Va., in 1607, when was planted the seed from which has grown these United States.

It is believed that this extensive plan of publicity will be productive of material increase in the already assured large attendance, and it is a conservative prediction that the number of visitors to the Jamestown Tercentennial, to be held on the shores of Hampton Roads, near the cities of Norfolk, Portsmouth and Newport News, Virginia, April 25th to November 25th, 1907, will be in excess of the number that attended the great World's Fair at St. Louis and Chicago.

Mr. Humphrey, who made this liberal tender, which represents a money value of \$25,000, is a Virginian by birth, and like many other sons of the Mother of States, located in the West, where he attained local fortune and business fame, and by hard work, tenacity of purpose and close application has developed one of the largest advertising concerns in the country, which controls the railroad advertising of several great trunk lines that embrace a territory extending from the Great Lakes to the Gulf.

Although Mr. Humphrey has spent many years of his life amid the hustling and enterprising environment of the West, yet his devotion and loyalty to the Old Dominion has never faltered, and as evidence of the fact has voluntarily contributed the gratuitous services of his business interests in furthering the success of Virginia's great celebration.

MONTEREY, Cal., November 18.—The first burglary committed in Monterey for many years occurred last night. Entrance to Mr. C. W. Trimble's store was effected by cutting away the railroad siding and removing two small window panes. Nothing was missing at first except some small change from the cash drawer.

A suspicious youth, who had been loitering about town, was seen by the proprietor, and was traced by telephone to Grubbsmith, Sheriff Arbuckle and S. N. Beveridge, who is Mr. Trimble's salesman, went in last night and arrested the boy, while eating his dinner at the home of Hon. S. W. Stewart. The interior change was found on him, as was also a hair razor, pair of socks and some change.

The boy was taken before Sheriff A. Wilson. He pleaded guilty, and was locked up. He gave the name of Orlando B. Tilling, and claimed Ohio as his residence. He is about a year old.

WILMINGTON, Va., November 18.—S. M. Shepherd, a prominent young lawyer of Fluvanna, has recently been appointed commissioner of accounts, to succeed the late George Minor Winn.

Fluvanna farms in this vicinity have changed owners during the past few weeks. Real estate seems to be on quite a boom, due largely to the prospect of a railroad running through the center of the county, thus affording a direct outlet to Northern markets, an advantage not enjoyed heretofore by Fluvanna people.

H. W. Elliott, who recently sold his farm to Mr. Dana, of Illinois, expects to move his family to Richmond about the first of December.

NEWPORT NEWS, Va., November 18.—William Westnagle, a white man of Richmond, charged with larceny, and a boy named William Morrey, escaped from the police station this morning by battering out a barred window. They made their way to Orleans, where they were captured by Detective Sergeant Woodward just before noon. Westnagle is supposed to be wanted in North Carolina for a felony.

WILLIAMSBURG, Va., November 18.—A contempt case was given a hearing yesterday afternoon by Judge Thomas R. Furnell, of the United States Court. It is against D. J. R. and Rufus Rogers, of Columbus county, for cutting timber on lands involved in the suit of the New Jersey and North Carolina Land and Lumber Company vs. Gardner, Lucy and the Gardner-Lucy Company et al., in which the judge had enjoined the further cutting of timber pending the settlement of the case. ## THEY CURE ANAEMIA

Dr. Williams' Pink Pills the Most Successful Remedy for All Forms of Debility.

Anaemia, whether it results from actual loss of blood, from lack of nutrition due to stomach trouble, or whatever its cause, is simply a deficiency of the vital fluid, Dr. Williams' Pink Pills actually make new blood. They do that one thing, and they do it well.

"As a girl," says Mrs. Jennie Pink, of 180 East Mill Street, Akron, Ohio, "I suffered from nervous indigestion, and when I was sixteen years old I was reduced in weight to 93 pounds. I was anemic, nervous, couldn't eat or sleep, was short of breath after the least exertion, and had headaches almost constantly. I had a doctor, of course, but I might as well have taken so much water for all the good his medicine did me. Finally my vitality and strength were so reduced that I had to take to my bed for several weeks at a time. I could not digest any solid food, and for weeks I did not take any other nourishment than a cup of tea or beef broth."

"While I was sick in bed I read of Dr. Williams' Pink Pills, and I stopped all other medicine and began to take the pills. Soon my improvement was very noticeable. My stomach began to return, my stomach gave me no pain, and just as soon as I began to take solid food I gained in weight. Dr. Williams' Pink Pills certainly saved my life. I am now perfectly well, have regained my normal weight of 120 pounds, and I think Dr. Williams' Pink Pills are a wonderful medicine."

These celebrated pills are recommended for stomach trouble, for all cases of weakness and debility, such as result from fevers and other acute diseases. All druggists sell Dr. Williams' Pink Pills, or they will be sent by mail, postpaid, on receipt of price, 50 cents per box, six boxes for \$2.50, by the Dr. Williams' Medicine Company, Schenectady, N. Y.

NORFOLK, Va., November 18.—The problem of financing the great Jamestown Boulevard successfully accomplished, work on the magnificent thoroughfare will soon be under way. The subscription to the fund for the construction of the Norfolk county end of the highway, in addition to the \$15,000 appropriated by the Board of Supervisors of the Norfolk county, proves satisfactory to the Board of Control of Norfolk city, and a committee of bankers are asked to pass upon them, and the Board of Control has let house the \$15,000 appropriated by Norfolk city for the city end of the boulevard.

It was conditioned that the Board of Control should be satisfied that sufficient money for the construction of the county end of the boulevard should be available before the city appropriation should be released.

The next work for the boulevard commission is the advertising for bids and the letting of contracts for the construction of two bridges necessary, one in the city limits and the other over Tanner's Creek. The present railroad bridge over the creek will be enlarged and improved for the purpose. The letting of contracts for the bridges will not delay other work on the road.

Conclude now in the city and county jails, it is expected, will be put to work on the boulevard next week.

The congregation of the First Baptist Church, of Norfolk, has secured the option on a lot at the corner of Westover and Moran Avenues, Ghent, for \$3,000, on which they propose to erect a new church building as soon as their present lot and building at the corner of Freeman and Granby Streets shall be sold.

The option now held by C. W. Fontaine on their present site, Granby and Freeman Streets, does not expire until December 19th. Mr. Fontaine's option is at \$3,000 net to the church, including the fixtures. It is regarded as certain that Mr. Fontaine will buy the property.

The First Regiment, Kentucky Infantry, is the latest military organization to notify the Jamestown Exposition that it will encamp on the Exposition Grounds next year. The encampment will begin on June 25th and break on July 6th.

Five hundred men will attend the encampment, and provision will be made for that number.

The First Regiment is one of the crack regiments of the Bluegrass State, and it is expected that its decision to encamp at the exposition will influence most of the other Kentucky military organizations to encamp here.

SCOTTSDALE, Va., November 18.—The Fidelity Bank of this place was broken into last night, and the same course followed as when a similar occurrence took place here nearly a year ago. At that occurrence both the Fidelity and National Banks were burglarized.

When Mr. J. P. Fontaine, owner of the Fidelity Bank, went to his place of business this afternoon for some articles forgotten and left there on Saturday night, he found that a shutter on one of the back windows of the building had been forced open and an entrance made. The safe was left unharmed, but many articles, long unused, including books and papers, were pulled from beneath it.

Promptly the appointed hour, to the strains of Mendelssohn's wedding march, played by Miss Ella Fleet, friend and school-mate of the bride, the bride and groom entered, preceded by Miss Mary Ellen Watkins, sister of the bride, a silver waiter. The parties were artistically decorated with palms, ferns and snail, the color scheme being green and red. The bride looked charming in a dark blue broadcloth traveling suit, with hat and gloves to match, and carrying bride-roses and maidenhair ferns. The ceremony was very impressively performed by Dr. Alfred Dugan, of Richmond, a friend and former pastor of the parents and grandparents of the bride.

The bride is well known in Tidewater, being granddaughter on her paternal side of Mr. William George Beane, Jr., and the great-granddaughter of Mr. Richard Squire Taylor, and on her maternal side, of Mr. William Beverly Bird, and great-granddaughter of Colonel Archibald Bird, of Maryland.

The groom is a son of Mr. William C. Beane, of Lancaster county, but for the past few years has made his home in this county, where he has won the esteem and highest respect of all who know him, both as a citizen and business man.

After a simple and beautiful served luncheon, the happy pair left for an extended tour, carrying with them the best wishes of their many friends and loved ones.

They will be at home to their friends at this place after December 1st.
